

**AUTHORIZATION TO CREDIT TEXTBOOK VOUCHER ACCOUNT**

Federal Regulations require that Title IV funds be automatically applied to allowable fees such as tuition, room and board, and mandatory fees. However, the University must obtain your written authorization to apply your Title IV financial aid to all other miscellaneous charges, including textbooks.

This authorization form will permit you to participate in the online textbook voucher program.

\_\_\_\_\_ I **authorize** Mount Vernon Nazarene University to facilitate my participation in the textbook program by moving funds from my student account to my textbook voucher account.
